Missed us at an in-person showcase? Didn't get to ask us all of your questions? Curious what our program has to offer? Well prepare your questions and meet us on the dates above!

- Feel free to check out our website ahead of time.
- Leave your webcams on - we want to be able to interact with you as personally as possible. However, we understand if that is not feasible.
- Don't feel the need to get dressed up – the conversations are meant to be casual and informal. Remember to mute your microphones if you are not speaking.
- If you have questions, please feel free to contact Anna Bostick (anna.bostick@mlh.org), Program Director or Christian Lyons (christian.lyons@mlh.org), Recruitment Coordinator.
