

# MLH Sunday 2020

*So that there should be no division in the body, but that its parts should have equal concern for each other. If one part suffers, every part suffers with it; if one part is honored, every part rejoices with it. Now you are the body of Christ, and each one of you is a part of it.*

- 1 Corinthians 12:25-27

The **Mission Integration Division of Methodist Le Bonheur Healthcare** is excited and grateful to celebrate MLH Sunday with your congregation. We began this tradition in 2018 as we celebrated 100 years of service to our community and commitment to our faith-based mission. We are thankful for the opportunity to be part of your worship, prayer and fellowship.

This year's MLH Sunday program includes a call to action to support the BookNook program. BookNook is a cloud-based technology platform that enables community teachers and volunteers to provide individual and small group reading tutoring that improves literacy skills for children of all ages. MLH launched BookNook sessions across Memphis in 2019 to address the health of our community beyond our walls, and we are excited to continue the work. We invite you to partner with MLH through a donation on MLH Sunday to help expand the BookNook program.

In this way, we can work together to serve thousands of students throughout our community, especially in this season when our education system faces so many new challenges.
