

CIRCLES of JOY

CELEBRATING NEW
LIFE, EXCEPTIONAL
CARE & GRATITUDE

Giving Opportunities at The Pavilion at Methodist Germantown Hospital

CIRCLES of JOY

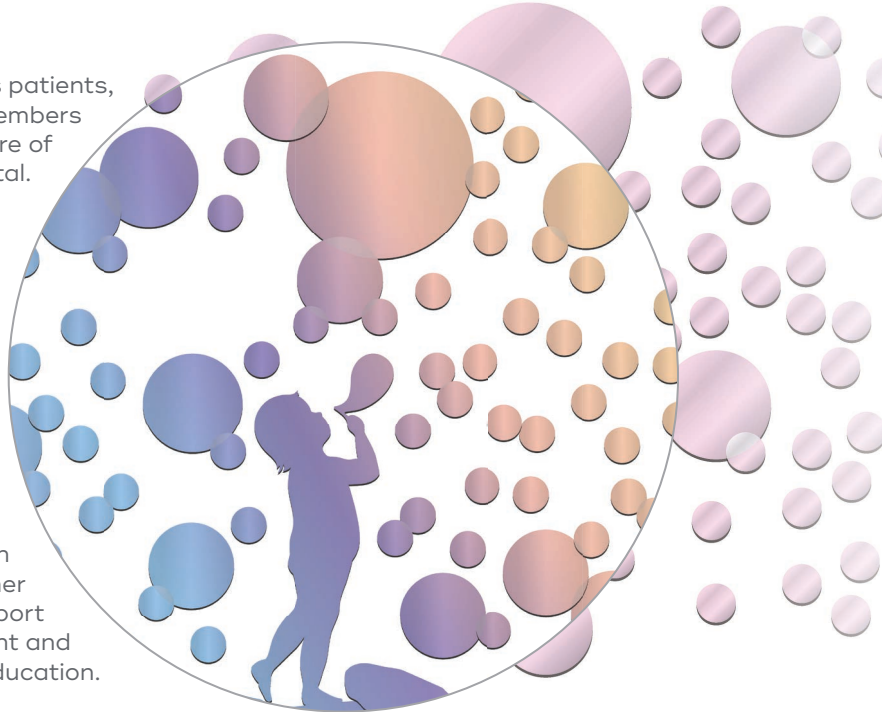

Donor Recognition Opportunities at
The Pavilion at Methodist Germantown Hospital

The Circles of Joy artistic installation offers patients, family members, companies, and community members a beautiful opportunity to support the future of The Pavilion at Methodist Germantown Hospital.

The two installations will be located in the main lobby of The Pavilion and in the NICU.

Whether you choose to give in celebration of a birth, to honor or memorialize loved ones, or to express appreciation for caregivers, your gift will directly support the faith-based healing mission of Methodist Le Bonheur Healthcare.

Donations through this campaign will help ensure that quality labor and delivery, postpartum, and newborn care are available in our community. Your support will also help further investments in technology and equipment; support and training for caregivers; improved patient and family experiences; and community education.
