WE ARE HONORED TO
CARE FOR OUR COMMUNITY

I can barely express my gratefulness for the services that my family received from Methodist Hospice. Everyone we encountered, without exception, showed us understanding and comfort and let us know that we were not in this alone. Mykisha, my husband Charles' nurse, went beyond her job description. She is truly an advocate for the patient and helped to make Charles' transition as peaceful as possible. I am so blessed to have had her as our nurse. Also Ann, who was there after Charles' death, along with Stacey, the social worker, helped us so much with character that surpassed kindness. They each define compassion."

The capable hands and beautiful, serene space at the Methodist Hospice Residence were a mighty gift. From the night we arrived until the morning Mom died, she was attended to wonderfully. A few examples of the exemplary care Mom received include: getting her out of bed by asking her to dance (she taught dance at one time), quickly getting a wheelchair when Mom was having a good day, looking over picture albums to know more about Mom, bringing her favorite foods, being judicious with medication, helping us through tough moments, and... then there was the entire staff!"
