- General Tips**
- Check out our website which has a lot of great information about our program - <https://www.methodisthealth.org/pharmacy>
 - The platform will work best if the Zoom client is installed on your device.
 - Come with questions - we want to help you determine if MUH is the place for you.
 - Leave your webcams on - we want to be able to interact with you as personally as possible. We understand, though, if that is not feasible.
 - Don't feel the need to get dressed up – the conversations are meant to be casual and informal.
 - Remember to mute your microphones if you are not speaking.
 - If you have questions, please feel free to contact Tate Cutshall (tate.cutshall@mlh.org), Program Director or Drew Wells (drew.wells@mlh.org), Program Coordinator.

We look forward to “meeting” & spending time with you!
